General Information

COURSE OBJECTIVES

The educational objectives of this seminar are to provide the most up-to-date innovative themes, techniques and treatments with which the practitioner of occupational medicine should be familiar. While the knowledge shared will be practical and useful on a daily basis, it will be neither mundane nor commonplace.

ACCREDITATION

Approved for 7¼ hours of Category 1 of The Physician's Recognition Award of The American Medical Association.

Approval applied for with The American Academy of Family Physicians.

WHO MAY ATTEND?

Physicians, residents, physician assistants, nurses, nurse practitioners, medical students and other allied health professionals are welcome to register for this seminar.

CO-SPONSORS

- American Occupational Medical Association
- Central Indiana Society of Occupational Medicine
- Bartholomew County Hospital

ACKNOWLEDGMENT

The Central States Occupational Medical Association gratefully acknowledges the contributions and support of KMI Medical, Inc., Chicago, Illinois and Cummins Engine Company, Columbus, Indiana.
