July 1, 2016

Dear Occupational and Environmental Medicine Resident:

CSOEMA has completed three years of having a resident as a voting member of their Board of Governors (BOG). This has been a very positive experience for residents, Dr. Christina Cusic, Dr. Zeke McKinney, and Dr. Steve Rippentrop. It has also been a definite plus for the association and the Board of Governors. We are again sending applications for this position to all CSOEMA residents.

The Resident will have full voting privileges and election will be for a one year term of office. There are two Board of Governors meetings per year in the Spring and Fall. We hope that the resident will bring insight to the board on residency issues. This will also allow the resident to network and meet Occupational Medicine doctors from across the CSOEMA region. Being a member of the board allows the resident to understand the structure of ACOEM and CSOEMA and provides a basis for activities that would support becoming a Fellow of ACOEM.

Please review the attached application, complete and return to Marlyce Nutt @ Marlyce@csoema.org by midnight 7/20/16. The application is brief and you may attach a CV. Conference fees, hotel x two nights, and air travel or mileage costs will be covered by CSOEMA for the two Board meetings. Occasionally the Board may be asked to respond to a question through email also.

Deadline for the application is midnight 7/20/15. This is not a lot of time since the next Board of Governors [BOG] meeting is 9/22/16 in Davenport, Iowa and we hope that the resident selected can be present for introduction at that evening's meeting. The BOG reception will be at 5:30 pm and dinner and the Board of Governors meeting will follow. The second Board of Governors meeting will be 3/16/17 in Lisle, IL.

Thank you for your support of this program. This will be a great opportunity for a resident and will help the Board of Governors understand more about the many issues facing our residency programs.

Please call me at 515-964-9003 or our Executive Director, Marlyce Nutt at 630-497-0286 if you have questions.

Sincerely,

A handwritten signature in black ink that reads "John Kuhnlein, DO, MPH". The signature is written in a cursive style with a large initial "J" and "K".
